

Serinummer för Kaffe

Förklarande text:

Två gånger per år köper Arvid Nordquist klimatkompensation som täcker prognosen av kaffeförsäljningen det kommande halvåret. Baserat på utfallet av försäljningen kompletteras köpet efterföljande halvår. Klimatkompensationen Arvid Nordquist köper annulleras av ZeroMission i offentliga register. I tabellen framgår hur många ton Arvid Nordquist kompenserat för varje år och vilket serienummer som är kopplat till kompensationen.
